Windham County Pomona Grange et at Dummerston Jan. 30 with Evenng Star Grange. Seventy-five were resent, Brattleboro and Vernon being ell represented. The question for discussion was "Can farmers afford to feed grain as usual at the present prices?" Several men who keep milk and butter dairies said they could not allow their cows to shrink in milk or flesh, even if grain was higher than it is now. The afternoon session, open to the public, was in charge of the worthy lecturer, Mrs. Ella Eames, A lively interest was shown in the first part of the program, consisting of music, recitations and readings. question "Do our school directors distribute the law fairly and give every pupil equal advantages" brought out number of spirited remarks, and the subject was finished by Mr. Mansfield of Dummerston and Mr. Gale of Guilford, who have served long as chool directors. They gave from their experience some good points
